Please join us at BCC for a Multilingual Orientation. The day will begin at the One Stop Enrollment Center where campus tours (translators available for family members) will be conducted for all. Following the tour, you will be able to interact with different support services at BCC including tutorial services, clubs and organizations dedicated to multilingual community building, and career services.

BCC is committed to providing universal access to our events. Contact Casey Young at [cyoung@berkshirecc.edu](mailto:cyoung@berkshirecc.edu) to request disability accommodations.
